DISCLAIMER

The publisher and the author disclaim any personal liability, loss, or risk incurred as a result of the use of any information or advice contained herein, either directly or indirectly.

Furthermore, the publisher and author do not guarantee that the holder of this information will make profit from the information contained herein.

All mention of promises to make money, either implied or not implied is strictly based on the author's opinion of the information contained herein.

As with any business, it is up to the individual owner of said business to ensure the success of the business. You may make more or less than the program may or may not claim herein.

It is strongly recommended that the purchaser contact any and all federal, state, and local agencies which may regulate, tax, or otherwise control the commencement of a business such as the one presented here.

The Publisher and Author do not intend to render legal, accounting, or other professional advice in the documents contained herein.

Top Paid Survey & Reward Sites

These sites will either directly offer you cash or prizes for surveys or they will be Survey network sites that will allow you to access a number of companies that offer surveys.

The survey network sites work directly with the companies and the survey's are usually only available to certain networks (This is how the companies get their survey's out to the masses by having a marketing company or network do this for them).

You can speed up taking surveys by automatically filling in forms by using [Roboform](#). It's **FREE & **EASY!****
